## Academic Appointments and Other Work Experience

---

Assistant Professor Columbia University, Department of Epidemiology, Department of Sociomedical Sciences	November 2018-present
Postdoctoral Research Fellow Columbia University, Department of Sociomedical Sciences and School of Social Work	July 2016- October 2018
Researcher Trajectories of Substance Use and Comorbid Mental Illness, Magdalena Cerda, Principal Investigator, National Institute on Drug Abuse grant 5K01DA030449-05	2013 - 2015
Researcher Columbia University Systems Science Program, Rockefeller Foundation, Abdulrahman El-Sayed, Principal Investigator	2014 - 2015
Associate Researcher University of Wisconsin School of Medicine and Public Health, County Health Rankings Project, Robert Wood Johnson Foundation	2010-2011
Senior Policy Analyst Council of State Governments Justice Center Criminal Justice/Mental Health Consensus Project	2005-2010

## Education

---

PhD in Epidemiology Columbia University	2011-2016
<ul style="list-style-type: none"><li>Dissertation title: Is criminogenic risk assessment a prisoner of the proximate? Challenging the assumptions of an expanding paradigm</li><li>Dissertation sponsor: Sharon Schwartz. Committee and readers: Bruce G. Link, Lisa M. Bates, Adam Reich, Jennifer Skeem</li></ul>	
MPH in Sociomedical Sciences Columbia University	2008-2010
BA in Psychology McGill University	2000-2004

## Honors and Awards

---

The William Farr Award in Epidemiology, Department of Epidemiology, Columbia University	2016
---	------

## Academic Service University

---

Co-Convener, Inequalities Cross-Cutting Theme, Columbia Population Research Center	2020-
--	-------

## Department

Methods Exam Committee	2019-2020
Co-designer and co-facilitator, Power, Privilege, and Allyship training for faculty and teaching assistants on identifying and responding to microaggressions in the classroom	2015
Facilitator, required journal club for masters student certificate in social determinants of health	2012-2015

## Professional Organizations and Societies

---

### Memberships

American Psychopathological Association  
American Public Health Association  
American Sociological Association  
Society for Epidemiologic Research

### Journal Reviewer

Addiction Research & Theory  
American Journal of Epidemiology  
American Journal of Industrial Medicine  
American Journal of Public Health  
American Journal of Orthopsychiatry  
BMC Psychiatry  
Canadian Journal of Psychiatry  
Criminal Behavior and Mental Health  
Drug and Alcohol Dependence  
Family Medicine and Community Health  
International Journal of Health Services  
Journal of Epidemiology & Community Health  
JAMA Psychiatry  
Journal of Occupational and Environmental Medicine  
Psychiatry, Psychology, and Law  
Occupational and Environmental Medicine  
Social Psychiatry and Psychiatric Epidemiology  
Social Science & Medicine  
Society and Mental Health  
Sociology of Health & Illness

## Fellowship and Grant Support

---

### Fellowships

HIV, Substance Use, and Criminal Justice T32 Fellowship Program  
National Institute on Drug Abuse grant T32-DA-37801, Nabila El-Bassel and Lisa Metsch, Principal Investigators 2016-2018

Psychiatric Epidemiology Training Program Predoctoral Fellow  
National Institute of Mental Health grant 5-T32-MH-13043, Bruce G. Link, Principal Investigator 2011-2016

### Grant Support

#### *Active Research Funding*

National Institute on Drug Abuse K01DA045955 Role: Principal Investigator  
Adolescent substance use as determinant and consequence of the school-to-prison pipeline: Disentangling individual risk, social determinants, and group disparities Project period: 02/01/2019 - 01/31/2024  
• Total direct costs: \$862,573

National Institute on Minority Health and Health Disparities L60MD013029 Role: Principal Investigator  
Racial and LGBTQ disparities in the role of substance use as determinant and consequence of the school-to-prison pipeline: Disentangling individual risk and social determinants Project Period 7/1/2018 - 6/30/2020

# Educational Contributions

---

## Teaching

### *Instructor*

Applications of Epidemiologic Research Methods II P9489, Columbia University Department of Epidemiology, second-year doctoral course	Spring 2019, 2020
Epidemiology, Bard Prison Initiative, Bard College, Woodbourne Correctional Facility	Fall 2015

### *Teaching Assistant*

Publications, Presentations, and Grants, Columbia University, Department of Epidemiology, first-year doctoral course	2015
Psychiatric Epidemiology Reading Seminar, Columbia University Mailman School of Public Health	2014
Principals of Observational Epidemiology, Columbia University Mailman School of Public Health	2013, 2014
Principals of Epidemiology and Introduction to Biostatistical Methods, Columbia Summer Research Institute	2012, 2013
Social Epidemiology, Columbia University Mailman School of Public Health	2012, 2013
Masters Thesis I and II, Columbia University Mailman School of Public Health	2012, 2013
Epidemiology of Drug and Alcohol Problems, Columbia University Mailman School of Public Health	2012

## Advising and mentorship

### *Dissertation and Thesis Committees*

PhD Dissertation Sponsor, Sandhya Kajeepeta	2020-
PhD Dissertation First Reader, Shadiya Moss	2020-
PhD Dissertation First Reader, Emilie Bruzelius	2020-
PhD Dissertation First Reader, Sarah McKetta	2020-
DrPh Dissertation Project, Trena Mukherjee	2020-
Masters Thesis Second Reader, Megan Marziali	2020-
Masters Thesis Sponsor, Sara Atlas	2020-
Masters Thesis Sponsor, Martha Mulugeta: Student Loan Debt and Depressive Symptomatology:A Longitudinal Cohort Analysis	April 25, 2020
PhD Dissertation Committee (Defended), Caroline Bancroft, Do alternatives to incarceration mitigate the health effects of criminal justice involvement? An examination of the effects of probation on chronic disease risk and access to care	Fall 2019
DrPH Qualifying Exam Committee, Trena Mukherjee	Fall 2019

### *Academic Advising*

PhD Sheffner, Ruth	2020-
PhD Hu, Gloria	2020-
MPH Christensen, Dana	2020-
MS Zazanis, Noah	2020-
MPH Russell, Matthew	2020-
MPH Thigpen, Shelby	2020-
MPH Singham Goodwin, Alicia	2019-
MPH Young, Chloe	2019-
MPH Hill, Isabella	2019-

## Invited and/or Peer-Selected Presentations

---

### Invited Talks

'The serpent of their agonies': Exploitation as structural determinant of mental illness Sociology Seminar, Nuffield College Oxford University	October 28 2020
Criminogenic or criminalized? Gendering, racialization, and the assumptions of criminogenic risk assessment Seminar Series in Gender, Sexuality, and Health, Department of Sociomedical Sciences, Columbia University	December 6 2017
How an epidemiologist encountered critical realism, and what critical realism might gain from debates about causal inference in epidemiology Beyond Positivism: Theory, Methods, and Values in Social Science Conference. Quantitative Methods Plenary Panel, Montreal, QC	August 8-10 2017
Moving beyond socioeconomic status to social class processes in public health Region 2 Public Health Training Center Webinar	August 1 2017
Health Disparities and the Criminal Justice System Icahn School of Medicine at Mount Sinai	October 21 2016

### Conference Symposia

'The serpent of their agonies': Exploitation as structural determinant of mental illness Society for Epidemiologic Research, Minneapolis, MN	June 18 - 21 2019
Changes in county jail incarceration rates are associated with changes in county mortality rates in the United States from 1987-2016 Society for Epidemiologic Research, Minneapolis, MN (Poster)	June 18-21 2019
Relational Social Class, Self-Rated Health, and Mortality in the United States Society for Epidemiologic Research, Minneapolis, MN (Poster)	June 18-21 2019
Contemporary Class Relations as Structural Determinant of Mental Illness: Moving Beyond Stratification to Relational Social Processes Society for Epidemiologic Research, Seattle, WA (Poster)	June 21-23 2017

Testing Contemporary Class Relations as a Structural Determinant of  
Mental Illness: Moving Beyond Stratification to Relational Social Processes  
Population Association of America, Chicago, IL

April 27-29

2017

Substance use over the lifecourse: When do peers and parents matter  
most?

June 21-24

Society for Epidemiologic Research, Epidemiology Congress of the Americas, Miami, Florida

2016
